

April 2001

TOPIC: IS4000Z SERIES UPDATE

MODELS

AFFECTED: IS4000Z/D31
serial no. 101-225

Ferris Industries has determined that the product improvements made to current production machines is a required update for machines in the field to prevent costly repair in the future.

An IS4000Z/D31 Update Kit (46602) is available to upgrade certain features and controls of the machine to current production standards. This kit includes all the necessary hardware and detailed instructions to perform this update.

Please note, this is a mandatory fix.

\$240 labor will be paid.
