Re: **ROPS Labels**

Briggs & Stratton has determined that two specified labels were not installed on the models in the serial number ranges shown below.

Please work with our Service Department as described in the attached documents to install these labels. Please install on all affected mower models in the listed serial number range in your inventory and for any units sold to customers that come in for service.

Attached is a copy of the Service Bulletin with additional information.

0.5 hour labor will be paid when a warranty claim is filed.

Thank you for your assistance.
