

Ferris IS5100Z Series Hydraulic System Updates

Replacement Hydraulic Hoses that connect Hydraulic Pumps to Wheel Motors:

An improved hydraulic hose setup is available for the hoses connecting the hydraulic pumps to the wheel motors on **Ferris IS5100Z series zero-turn riding mowers** in the **serial number range 2016803538 & below**. When replacing the hydraulic pump to wheel motor hoses on a unit in this serial number range please reference the chart below.

Existing Hose	Replacement Hose & Hydraulic Fitting
5102102 (Hose)	5412800 (Hose) & 5022599 (Fitting)
5102103 (Hose)	
5102101 (Hose)	5412801 (Hose) & 5022599 (Fitting)
5102100 (Hose)	

New Hydraulic Oil Cooler Kit is Available:

A new hydraulic oil cooler kit is available for **Ferris IS5100Z series zero-turn riding mowers** in the **serial number range 2016098451 to 2016929289**. This kit includes an oil cooler, two (2) supporting brackets, and the hardware to retain it. The purpose of this kit is to provide additional support to the oil cooler.

If your oil cooler needs to be replaced, replace it by ordering **5600826 - "Kit, Oil Cooler, IS5100Z"**.

If your oil cooler is in good condition, order the following parts in these quantities to provide extra support for the oil cooler:

Part Number	Description	Quantity
5413278A	Bar, Support, Air Cooler, IS5100Z - BLK	2
5025299X6	Screw, 1/4-20 X 3/4, Zinc Phos & Oil	4
5025391	Nut, 1/4-20 Hex Nylock Flange	4

The illustrated parts lists and eParts on thePowerPortal.com for the IS5100Z's are updated to reflect these changes.
